DEP2004 Term Project

Assignment 1: Topic identification (due week 3)

- What is your topic?
- Why are you choosing this topic?
- What resources will help in your research of this topic?

Assignment 2: Major contributors (due week 7)

- Provide an Annotated Bibliography
- Minimum of 5 references are required from peer review journals
- One reference required from a book
- Refer to full assignment description for details

Assignment 3: PPT Project (due week 10)

- Develop a 25 slide PPT presentation
- Include a minimum of 10 outside sources (majority should be peer reviewed journals)
- Provide a paragraph of footnotes on each slide
- Refer to full assignment description for more details
- Your work must include a title and reference slide. All references are to be in APA format. This is in addition to your 25 slide presentation
- Your work must be saved as a .PPT or PPX format. Failure to do so will result in your work not being read.
- Definitions of key terms including relevant research techniques
- Explanation of why topic is important
- Describe any controversy that has been raised with this topic

Assignment 4: Oral Presentation (due week 13)

- A 7-8 minute presentation that includes an introduction to the topic
- Definitions of key terms including relevant research techniques
- Explanation of why topic is important
- Describe any controversy that has been raised with this topic
